Children's Sunday Success!

What a great Children's Sunday we had! We had kids filling the church to take over our regular Sunday morning service! Our junior greeters helped everyone feel welcome from the moment they walked in the door. Our Kid's Worship Extra kids did awesome with their speaking parts for the service and delivered a fantastic message throughout the morning! We had a special group of young worship leaders, a marvelous singer for special music, a performance by the Preschool Worship class, and a big group of young diaconates helped with communion and offering too! It took over 50 kids to pull off such an incredible service and they did a fantastic job!! Each one of the kids has been so blessed with special talents and that showed Sunday! Thank you to all the kids who worked hard, all the parents who practiced with their kids' parts with them and made sure they were at rehearsals, Karen Allen and Staci Carey for creating parts and working so diligently with the 3rd-6th graders for the weeks leading up to yesterday, Christie Fincher and Krista Smith for working with the Preschool Worship class on their song, Michael Johnson for helping to lead the service alongside the junior worship leaders, Jamie Johnston for the special music accompaniment, John Allen for running sound for rehearsals and the service, and Darl Doles for videoing. Also thanks to Kelly Simpson, Andrea Steven, Debbie Hubbard, Janet Hudson, and Andrew Hardin for helping our junior diaconates and greeters make sure they were where they needed to be when they needed to be there! It was a special morning and we are so proud of our FCC kids!
