Last Week's Worship

What's The Plan for This Sunday...

The news of how to handle public gatherings changes daily. In fact, we have rewritten this article twice since Monday. No doubt, as a church we want to make the right decision in regards to public safety, doing what is right for our community and church as well as for anyone who would attend our worship services.

With that in mind, we have decided to cancel worship services in our sanctuary until further notice. We will be providing an online feed of worship that will be posted at 10:30 a.m. on Sunday morning where you can participate in worship with your family. It will have all the usual elements of worship including music, communion, prayer and sermon. We would encourage you to gather supplies in your home to partake in communion together, or drop by the church during the week and we can provide you a set of communion for your home. Also, we encourage you to e-mail us any prayer requests you would want shared during the service to either Ronnie (Ronnie@coxinet.net) or Karen (karenkallen@cox.net).

You will be able to view the service on our Facebook Page at: First Christian Church of Guthrie or by going to our website at:

<http://fccguthrie.org/worship-services/>

During offering you can give online at:

<https://www.simplechurchgiving.net/App/Giving/firs402175>

(You can also just scroll across the top of our website and click where it says "Give Online!")

You may want to try these links ahead of time and if you have any trouble please call the church office (405) 282-4080 or reach out to Ronnie (405) 535-8853 or Karen (405) 615-2240.

How Can We Help?

If you are taking extra precautions and staying home during this time and are in need of someone to run an errand, grab some groceries or would just like to visit on the phone we are here to help. We know being shut-in for long periods can be stressful and you aren't sure who to call. No request is too big or small. We want to help! Ronnie (405) 535-8853, Karen (405) 615-2240 and Staci (405) 831-5509 are available to help. Give us a call or text anytime.
