Night of Hope

Our community will have an online event called Night of Hope on May 21 at 7pm. This will feature ministers and leaders from Guthrie.

There will be scriptures and prayers as we seek to bring hope to our entire community.

Reopening Survey

You should have received a survey email from us this week. We would love your input by 5 p.m. on Thursday as we make difficult decisions to keep everyone safe on when and how we return to worship in the sanctuary. Your input is greatly appreciated! Please know as we make the transition back into the building, we will have guidelines, sanitation stations, and other safety precautions in place.

Join us for online worship every Sunday at 10:25 a.m. www.fccguthrie.org or on Facebook – First Christian Church of Guthrie

Vacation Bible School Volunteers Needed

We are still looking for volunteers for crew leaders for VBS! VBS is July 13-17th from 9 am to noon each day. We still need adults who can lead the crews of kids around to their stations around the church! If you are available and interested, please email Kacie or Mekaila Carey to let them know! Sign-ups for kids will begin soon!

Meal Ministry!

As everyone has found their way back to their kitchens and we have had several people having surgeries lately, it has been a natural time to get our Meal Ministry back up and running. We have a list of about 4-5 people who help out with this ministry but would love to include others.

How the ministry works...

- Submit your name to be included in a text, e-mail or phone call group of people who are contacted when someone is in need of a meal. People who are provided meals may have had surgery, recently had a new baby or might be down due to medical issues at home.
- Meals are provided for approximately a week, or as determined and people on the Meal Ministry list are contacted as a group and asked if they would like to prepare a meal to take to the person's home on one of the suggested day's following when the person gets home.

For example, patient has surgery on Friday. The text/e-mail/phone call would say "please let us know if you would like to help provide a meal for X person on Saturday, Monday, Wednesday, or Friday of next week. If so, let us know which day and what meal you will be providing so we don't overlap. The person's address is: _____ and they typically eat around 5-6 p.m. Their phone number is: _____ and they have no known allergies."

- Meals typically consist of a main dish, side, bread and can include a dessert but don't have to.
- Also, if you don't cook, it would be totally acceptable to pick up a meal from a restaurant and deliver it!

Please let us know if you would like to be a part of this meaningful ministry! You can text, e-mail or call Karen Allen (405-615-2240 or karenkallen@cox.net) for more details or to add your name to the list.
