Weekend Recap!

What an amazing Sunday! We had a great time with our VBS kids leading music, the fun decorations, our men cooking burgers and hot dogs, our Connections team doing the side dishes and desserts! Wow! What a great time of fellowship and fun!

Vacation Bible School Thank You!

Wow! What a wild week of VBS learning to trust Jesus!! We had so much fun all last week singing, learning Bible stories, participating in science experiments, digging deeper into the gospel of Matthew, and playing all kinds of games too! Special thanks goes to Kacie Carey for directing such a successful week and also for making all of our VBS volunteer shirts!! We also would like to thank Paige O'Connell for dreaming up the most creative decorations and then making those decor plans come to life so the kids could really get the feel of the Alaskan wilderness! Thanks to everyone who came to help decorate the church and those who helped put the church back together after VBS Sunday. Such a fun week wouldn't be possible without all of our adult and youth volunteers! We had almost 60 adults and children who volunteered their time to help VBS make the most exciting, welcoming, positive place where more than 120 kids could learn and interact with all of our Bible lessons for the week! Thank you to everyone who played some kind of role in making VBS week what it is - whether you contributed financially, with your time and talents, or lifted us up in prayer last week - we appreciate all of the support we are so blessed to have!

Mother's Day Out News!

Our summer program kicks off today! We need a few more booster seats and high back car seats for our kids to travel in the church vehicles for field trips.
